The foregoing changes are designed to accommodate as many families as possible and to have direct routes so that we can accommodate new families from Lane Cove and Drummoyne. To compensate for some inconvenience in order to save time on the routes, as well as equity reasons**, there will be no charge for the use of the bus next year (2010)**. We are hoping new families will join Tara from Lane Cove and Drummoyne which will mostly fund the cost of the bus runs.

As previously advised**, a roster is not going to be kept** (from the commencement of 2010) and the bus will operate in the same manner as a public bus service, i.e. buses leave the bus stops at the designated times and students will need to be the bus stop at that time.

Current as of 26 October 2009
