Lessons

- Individual musical instrument, musicianship and singing lessons are generally held during class times and are rotated each week, where possible, so a student is not withdrawn from the same lesson. Students are asked to bring their planner to enable tutors to sign off they have attended
- It is a student's responsibility to catch up on class tasks that are missed
- In Junior School, lessons occurring during School hours, students will be collected and returned to class by TEC tutors
- In Junior School, lessons occurring after School, students will meet their tutor in the Junior School main courtyard. ELC students will be collected from ELC and signed out.
- In Senior School, students are responsible for going to their lessons on time, and returning to class afterwards
- Lessons for girls in Years 11 - 12 are usually scheduled outside normal lesson times

Missed Lessons

- K-12 students unable to attend a lesson due to a planned absence, parents should contact the TEC tutor 1 week in advance. If the absence is due to illness on the day parents should email/SMS the TEC tutor and Michelle Oakley. In this case, where possible, the tutor will try to give a catch-up lesson
- If a student misses a lesson, or withdraws during a semester, refunds are not provided
- It is not the School's responsibility to ensure your daughter's attendance at lessons both within and outside of School hours
