

# Enrolment & Fees

Tara Anglican School for Girls is the best place for girls to be. Tara provides an inspirational learning environment for Pre-Kindergarten to Year 12 girls, providing a wide range of academic, cultural, and sporting experiences, as well as offering short term and full time boarding to girls from Years 5 to 12. Tara Anglican School for Girls is an academically non selective school.

## Enrolment Process

Return a completed enrolment (Local Students) application form, together with the \$220 non-refundable application fee and a copy of your daughter's Birth Certificate and current school reports (if applicable).

1. If your daughter was born outside of Australia but is now a citizen, a copy of the Citizenship Certificate is also required at this time. For temporary or permanent residents of Australia, please also attach a photocopy of your daughter's passport and visa.
2. Students will be placed on the wait list for the requested year of entry. Please note that the application does not guarantee your daughter a place as this is an expression of interest for a place at the school.
3. With no entrance examination, Tara caters to girls of all abilities across a wide range of subjects, activities and interests.
4. 18-24 months prior to a student commencing at the school, students on the wait list will be invited to interview. It is not a test, but an important meeting for the school and parents so that together we can clarify the needs and expectations for your daughter's education. If a vacancy exists we can also interview closer to the year of entry.
5. First round offers will be made to students from the interview. Offers will continue to be made until all vacancies are filled. Offers of places must be accepted or declined within two weeks. Alternatively the Principal will contact you for further consultation.
6. When accepting an offer of a position, parents are asked to complete and return the acceptance paperwork and any additional supporting documentation and make the payments detailed.
7. Following this process your family will be enrolled in our exciting transition and orientation programs for both students and parents which aims to prepare students for life at Tara and to start communication with parents.

*Please note: The information contained in this document is current as of January 2018 but may have varied by the time of actual enrolment.*
